Amarillo Owes County '64 Taxes, Say Commissioners

District Attorney To Study Question

The city of Amarillo failed to pay 1964 county and school taxes on 2,418 acres of land lying within Randall County and the Canyon Independent School District.

The matter was brought to attention of Randall County commissioners court at a meeting of that group Monday.

County taxes on the land in-

involved amount to \$493.64 and school taxes come to \$436.80.

Deputy Randall County Tax Assessor - collector Orvie Henry said last year was the first time the city of Amarillo failed to pay.

In the meantime, an Amarillo law firm has written to county and school officials protesting assessments against the land involved. The firm of Gibson, Ochsner, Harlan, Kenney and Morris contend that some of the land is being held for water production and other tracts for eventual use as sites for sewerage plants.

County and school authorities have adhered to a policy of assessing taxes on all land from which revenue is realized and has contended the 2,418 Amarillo-owned acres produce revenue for the city.

Amarillo attorneys say grazing and farming leases of the land on short term basis do not detract from the fact that the tracts are "for public use."

Membership Drive

A membership drive is currently under way to support the 19th annual Randall County Junior Livestock Show and Sale.

The show will be held in Canyon January 14-15 according to Cristler Crain, president of the Randall County Junior Livestock Association.

Memberships are available at \$5 per person and the money raised will be used to pay premiums and other costs of the livestock show. Workers and committeemen are donating their time, and funds will benefit the boys and girls of the county.

Boosters To Meet

Special meeting of the Canyon Booster Club will be held in the high school gymnasium Tuesday following the Dimmitt basketball game.

All members are urged to attend the meeting.

Clark Resigns Post As Judge

Resignation of D.P. Clark as corporation court judge was accepted formally December 29 by Canyon city commissioners.

In a letter addressed to the commissioners and City Manager Dewey Bryant, Clark stated that he was retiring from the post on advice from his physician.

Resignation of the long-time stockman and businessman brings to a close six and a half years of service as corporation court judge. During this period, much of his time was spent in counseling with local and college youth.

"He is always interested in youngsters, and in the athletic programs here," commented his daughter, Mrs. Gene Morrison. "He was active in the start of Little League baseball; and he's continually interested in what the youth are doing, and their accomplishments and achievements."

Clark is an honorary member of Future Farmers of America, an activity which stems from his years of work in livestock and farming. He came to Canyon in 1931, and was associated with the Terra Blanca Farms as manager of the hog farm.

"This is his first love," said Mrs. Morrison of his livestock and farming interests, "and he attributes his continued activity and strength to working outdoors."

In 1946 Clark moved into town, where he was associated with Thompson's Hardware. Later he entered real estate and insurance business with K.L. Pond. He has been active (See CLARK, Page 7)

Pruett New C-C Leader

Richard Pruett has been named president of the Canyon Chamber of Commerce.

Pruett, a Canyon businessman, operates an eating establishment here. He has lived in this community for the past 18 years and is a graduate of both West Texas State University and Canyon High School.

Pruett has been active in civic affairs. He served out an unexpired term as president of the Canyon Junior Chamber of Commerce and then was twice elected to that office.

Mrs. Pruett is the former Judy Fields. The Pruetts have two children, Ty, 6 years old, and Kip, 4.

Pruett succeeds H. R. Fulton. Fulton filled an unexpired term as president of the senior chamber and then was elected to a term.

Other new officers of the chamber are Benny Cooper, (See PRUETT, Page 7)

Army Brothers Home

CHARLES W. MORRIS, left, and his brother, Captain Alvin B. "Buff" Morris, were home for the holidays to visit with their parents, Mr. and Mrs. E. D. Morris. Both are with the United

States Army. Charles is a Chief Warrant Officer and will leave his family in Canyon while he has a service tour in Viet Nam. Alvin is stationed with the Special Forces in Panama.

1965 Building Boom Near \$3 Million Sum

Building in Canyon last year neared the \$3 million mark.

Building permits issued came to \$2,937,119 -- a figure well above that of 1964 even after subtracting the \$837,634 of university and public school construction.

In 1964, building permits came to \$1,379,118. Residential construction for 1965 topped the \$1 million mark. Exact figure

was \$1,029,321 with a total of 58 new homes having been constructed during the year.

Construction of an addition at Canyon High School amounted to \$153,000. Permits were issued for \$402,000 for construction.

Two Hats In Ring

Two incumbents have announced candidacy for county office.

They are Clarence Beckman, commissioner of precinct 2, and County Judge Lloyd King.

Eight county offices are up for grabs this year.

They include the offices of commissioner, precinct 2, county judge, commissioner, precinct 4, district attorney, district clerk, county clerk, county treasurer and justice of the peace, precinct 4.

struction of the new Killgore Research Center at West Texas State University along with a new applied Science Building costing \$157,634 and an addition to the existing university library at \$125,000.

Apartment construction accounted for a big chunk of the grand total. City records reveal that permits were issued for \$417,500 worth of apartment (See 1965, Page 7)

ASC Office Announces Farm Signup

Signup for the 1966 programs for wheat, feed grains and cotton will begin January 24 at Randall County Agriculture Stabilization and Conservation Service office, according to office manager Donald F. Lloyd. Signup deadline is April 1.

January 24 will also be the (See ASC, Page 7)

Art Exhibition Nears Deadline

The third annual State Citation and Scholarship Art Exhibition sponsored by Governor John B. Connally and the League of Women Voters of the 31st Senatorial District will be held in Canyon on January 13-16. The show will be held in the Fine Arts Building of West Texas State University and the deadline for entries had been

set at January 13 with art work to be delivered between 9 a. m. and 6 p. m.

Exhibition will be open to the public on January 14-15 between 9 a. m. and 5 p. m. Exhibitors may pick up their work on January 16.

Three awards will be presented in the high school division including \$75, \$50 and \$25. The division is open to students in the 9-12th grades. Merit award division will have three awards of \$75, \$50 and \$25 and is open to any amateur artist of any age who (See ART, Page 7)

Mason Baby Born First

Mister Stork arrived January 3 to deliver the first baby born at Neblett Hospital and Clinic in Canyon during 1966.

The infant boy was born to Mr. and Mrs. Calvin Lee Mason at 11:40 a. m. He weighed 6 pounds 10 ounces on arrival and has been named Shannon Lee.

Both Mr. and Mrs. Mason are students at West Texas State University. Grandparents of the infant are Mr. and Mrs. James Freeman and Mr. and Mrs. M. C. Mason, all of Muleshoe.

Local merchants are furnishing a variety of prizes and supplies to the first baby born in Randall County in 1966. Only rules governing the selection were that the baby be born in Canyon, that his parents live in Randall County, and that the exact time of birth be confirmed by the attending physician.

BRUSH AND GRASS inferno at Camp Don Harrington Monday afternoon seared an estimated 40 acres of land. Attempting to put out the fire

until the Canyon Volunteer Department arrived at the southeastern edge of the blaze were Virgil L. Cunningham, Jr., left, and Luther Geiger.

Council Begins Early Water Rights Payment

In a special meeting called Wednesday, December 29, city commissioners agreed to offer payment of \$14,500 before the end of 1965 for the Cleve Pond water rights.

The meeting was called for the purpose of considering the possibility of a cash transaction of the water rights, which were originally arranged for on a time warrant, with a \$5000 down payment. The Pond land is located approximately 12 miles northeast of Canyon and is adjacent to the northwest section of Canyon's present four-section water field.

Following a request by Pond for 29 per cent of the payment before 1966, the officials voted

to offer \$14,500 in December of 1965, to be taken from surplus funds, with payment of \$17,500 April 2 of 1966, and the remaining \$18,000 April 2, 1967. This

provides for the total purchase at \$50,000 excluding yearly interest.

The decision followed a brief discussion of city funds and budget by City Manager Dewey Bryant. According to Bryant, the city would have paid approximately \$9,000 in interest over the ten-year period previously agreed upon.

In regular city commissioners meeting held Monday night, Bryant notified the commissioners that the first payment had been made December 31, 1965.

In other action of the regular meeting officials reviewed (See COUNCIL, Page 7)

Teachers To Depend On Census

Those residents of Canyon who are aware of a shortage of first grade teachers in the Canyon schools will have a chance this month to prevent its happening again next year.

"As of January of last year, our census showed 192 first graders for this fall," said Superintendent Huelyn Laycock, "but 242 enrolled in the first grade this September."

"We missed enough students for one teacher in the 1965 census, and this is one of the main reasons we're short on first grade teachers now."

Laycock explained that it is on the basis of the yearly school census that officials project their need for teachers. Work on teacher placement begins in March.

School census will be taken throughout this month, beginning next Tuesday. It will include enumeration of all students who, by September 1, (See TEACHERS, Page 7)

Buffs Scare Detroit But Drop Game 68-57

Still looking for their first victory of the basketball season, the West Texas State University Buffs scared rugged Detroit in the Motor City last Monday before dropping a 68-57 verdict.

Through eight games, the Buffaloes stand 0-8 but the close battle against Detroit this week should boost the Herd morale, which apparently was sagging entering the Monday battle. A big rebounding edge handed Detroit its eighth win against only two losses.

All-America candidate Dorie Murrey, a 6-9 center, led the Detroit quintet to the decision over WTSU by grabbing off a fantastic total of 32 rebounds and tallying 19 points. Murrey out rebounded the entire Buffalo team by seven caroms. As a team, Detroit pulled down 55 rebounds to only 25 for WTSU.

In the first half which saw the Detroit Titans gain a one point edge, the Buffaloes hit the field goal consistency they have been looking for all season. The Buffs rammed in 14 of 27 field goal attempts in the opening stanza for a hot 51.9 percentage, however, in the final half, the field goal accuracy was a horrible 27.6 per cent. Had the Herd hit at that consistency in the entire game, the Buffs would've brought home a major upset.

The eight game losing streak led 32-31 at the intermission and the Buffs managed to stay within one point for the first minute of the last half. A streak of eight consecutive points by the Titans jumped the Detroit quintet into a comfortable margin of 42-33.

With 16 minutes remaining in the fracas, the Buffs overcame a cold spell and pulled within seven markers at 46-39 with 14 minutes left. Again the Titans got hot to bomb the basket for seven points, to hold a 14-point margin which the Buffs never overcame.

The Herd did close the gap slightly and ended the game, trailing by eleven points. Of course, getting that close to the powerful Titans was more than most Buffalo fans expected the Buffs to do, since the Herd entered with seven straight defeats.

Detroit hit the target on 29 of 67 field goal attempts for a 43.3 percentage. Calvin Taylor of the Buffs tied with 6-foot guard Gail Simpson in rebounding with six caroms. Taylor held the runnerup position in scoring behind Fitts, with 10 points. Simpson, who finds the opposition continually defending him very tightly, could manage only one free shot in the game.

The road trip which began on Dec. 15 against North Texas State University resulted in five losses but the Buffs should gain poise and maturity by playing teams like Ohio State, Tulsa, Southern Colorado and Detroit.

WTSU jumped off to an early 6-0 margin, using a deliberate type of offense. The Buffs held a 25-18 advantage with slightly over five minutes remaining in the first stanza. Apparently, the slow type game confused the Titans, forcing them into many mistakes in the first half. Detroit hit a hot spell to cut the five point margin and with three minutes left in the opening half, the Titans tied the game at 27 points apiece.

The Buffs dropped behind for a brief spell but came back to tie the game at 30-all. Detroit

Lindsey Shingle Is Out

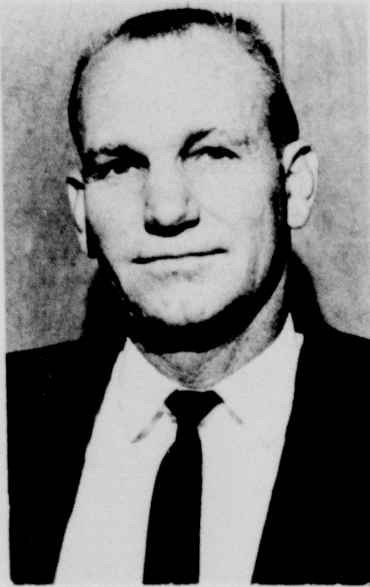

E. H. "Scatter" Lindsey, Canyon's newest attorney, is hanging out his shingle this week.

Lindsey, who sold out farming and livestock interests in 1963 to go back to school, was graduated from the University of Texas School of Law in August. He only recently passed his state bar examination and was formally admitted to the bar.

Lindsey was 40 years old when he returned to school in 1963. He completed his work on his law degree in 27 months by going to school summer and winter.

This week he represented his first client in 47th District Court here.

Lindsey received his BS degree from West Texas State. Lindsey was a flight instructor for the Army Air Force in World War II and later finished out the war as a cryptographer in Army Airways Communications.

E. H. LINDSEY

From 1947 to 1949 he operated Tradewind Flying School. He later farmed, ranched and operated a feed lot. He sold out his interests in 1963 to attend the university.

Mrs. Lindsey is an executive with the Santa Fe Railway in Amarillo. She works as schedule supervisor.

Lindsey presently will office in the old First National Bank building.

The Lindseys have three children, Barry, 18; Susie, 14; and Bobby, 10.

Jaycee-Ettes Aid Jaycees

As an aid-to-Jaycees project, the Happy Jaycee-Ettes are currently making vests for all Jaycees to wear to district and state events planned for the spring months.

In a recent fund project the Jaycee-Ettes awarded a phonograph to Ray Fullerton of Canyon. The phonograph was furnished by Whitlow Lee Buildings of Happy.

CHS Girls Chalk Up Eighth Win

The Canyon High School girls chalked up their eighth victory of the season Tuesday night, downing Sanford Fritch 60-56. After leading the game for three quarters in the boys match the Eagles fell to a comeback bid by Sanford Fritch to the tune of 60-56.

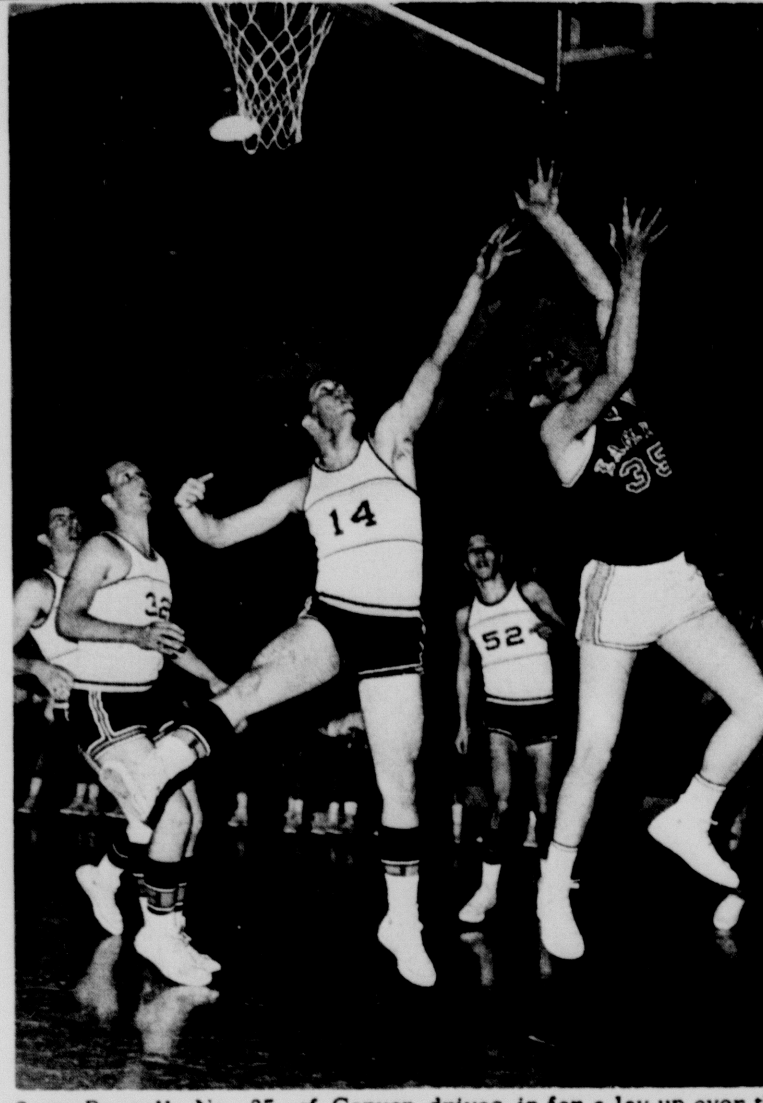

Ricky Bacon, a 6-5 center, poured in 30 points for the top individual scoring performance of the season by the Canyon Eagles. Joyce Allan led the Canyon girls to victory with 14 points.

The Eagles held a 32-24 margin at the intermission and a 46-41 lead at the third quarter break but the last minute surge by Sanford-Fritch spelled defeat for the Eagles.

Canyon, in the girls battle, trailed by a point at the half and had only a two point lead after three quarters before breaking the game wide open in the last stanza to win by 15. The girls open district play with an 8-5 record in non-conference action.

In play the past week, the girls managed a 1-2 mark, losing two games in the Tulia Tournament and winning a single match over Happy. Canyon whipped Happy 45-36 with Linda Clark bagging 15 points to lead the scoring.

The Eagles, who now stand 8-6 for the season, broke even in four games last week. In the Lubbock Tournament, the

Scott Russell, No. 35, of Canyon drives in for a lay up over the outstretched arm of Gary Culp, No. 14, of Happy. Also shown in the action are B. N. Vernon and Bob Robinson of Happy, and Don Howard of Canyon (to the right of Russell). The game was played here Friday night.

Eagles were 1-2 with the only victory coming over Wichita Falls 57-53. Bacon fired in 25 points to top the scoring picture. Losses in the tourney were to San Angelo 53-39 and Odessa Permian 68-29.

The other Canyon win came over Happy 57-51 in a battle of neighboring cities. Vernon Hawkins tossed in 13 markers for Canyon while Gary Culp tallied 24 for the Happy Cowboys.

Bowery Ball Is Tomorrow

Bar room fashions of two of the liveliest periods in recent American history will be featured at the annual Bowery Ball and costume contest Friday in the game room area of the Student Union Building.

The dance, co-sponsored by Delta Zeta social sorority and the Student Union Board, will have, as its dress, costumes of the "Gay 90's" and "Roar-

ing 20's" periods. The couple with the best costumes in keeping with the theme will be selected and presented during the dance.

The event will take place from 7:30-11:30 p.m., according to program director Sonny Schnell. "The Sparkles" will provide music, and admission is 50 cents per person.

Fun 'n' Folk

BY LINDA LOVE
It looks as if Texas' Senator John Tower has really started something. No, this isn't political. Not long ago he spoke of the tour Martha Raye is making, putting on shows throughout all American camps, large and small, in South Vietnam. Miss Raye has been over there quite some time now, with little recognition of her great service -- except that the boys adore her, and I guess that's what counts. But Tower referred to her as "The Unsung Heroine of Vietnam," and now a writer is preparing a television series, to be called "Unsung Heroes." It would include dramatizations of civilian heroic deeds, and would be based on the Andrew Carnegie hero award files.

Say, how about that Rose Bowl game? I hate to see a great team lose (like my dear Nebraska), unless they're defeated by another squad of champion-quality, and the Bruins certainly played like champs. I've never claimed the philosophy that because a team, or a person, is the "underdog" he deserves to win -- at least, not for that reason alone. Victory, and particularly continued success, is something to be earned and to be maintained. Of course, I love to see a spirited contest in which a team rises above its record, and sometimes its practical abilities, but when this happens it's because a lot went into that effort, not just because as underdogs they deserved their name in the winning column. Yes, underdogs they were, but Saturday the UCLans played like champions.

Only Judges For Annual WT Contest

New manner of selecting the Best Dressed Men and Women on campus was decided upon Tuesday by the Student Union Board. Winners will be chosen by a group of judges, composed of a chairman, three members each from the Student Union Board and Student Senate, and all dormitory presidents. The panel will select five finalists in both men's and women's divisions, and the Best Dressed Man and Woman will be chosen from among these.

Selection was formerly by a campus-wide vote. Signup date for candidates has been set at Thursday, February 3. Winners and finalists will be presented at the annual Personality Pageant, which is scheduled for February 25-26. Petitions will not be required of candidates, but they must be signed up in the Student Activities office by 5 p. m. February 3.

No Meetings

Student Senate and Student Union Board will not meet again until the beginning of second semester. This is due to Dead Week, which begins Monday, to final examinations and the registration period. Classes resume Monday, January 31.

Sheryl Bellah furnished refreshments for those present, including Teddi Crager, Cindy Bullock, Kaysee Martin, Pattie Ormsby and Susan Hull.

Final Stock Meet Tonight

Final plans for the Randall County Junior Livestock Show and Sale will be made at a meeting tonight, Thursday, at 7:30 p. m. in the Livestock Building, according to President Cristler Crain. Job description, duties and responsibilities of each committee will be discussed, and last minute ideas and suggestions will be presented. All directors, officers and committee members are urged to attend, said Crain, as it is vitally important that each group operate as a unit to make a totally effective show and sale.

Mr. and Mrs. Tommy Bolan of Hedley visited with her mother, Mrs. Ivey Cole, and with the R. M. Coles and Mrs. John Hunter during the holidays.

Banquet Set For RC Posse

Randall County Sheriff Posse will have its annual banquet and installation of officers at 6:30 p. m. Saturday in Canyon High School cafeteria. Approximately 125 persons are expected to attend the dinner and program, which will include a portion of musical entertainment. Dinner music will be provided by Mary Ann Wheelock. Leon Cox of Amarillo will be installed as the 1966 president of the posse. Clark Jarnagin will be the new vice president, and Jimmy Plain will serve as secretary-treasurer during the coming year.

Parade Marshall will be Blaine Hufnagle, and assistant parade marshal will be A. P. Sanford, Jr. Glen Campbell will serve as director of junior deputies. New directors are Leon Cox, J. W. Pepper and A. P. Sanford, Jr. They will replace outgoing directors Ed Wiecks, Archie Dean Davis and O. W. "Bud" Parker. Outgoing president of the Sheriff's Posse is R. B. Allen. Mr. and Mrs. Sterling Buster of Childress visited during the holidays with their son, Harry Buster, and family.

plans for bids on brass complements to the new fire truck, now under order and due this winter or early spring. Bids will be accepted January 17 on a variety of fog nozzles and nozzle-holders, two combination tips, an electrical fog nozzle for use in cases of electrical hazards, a cellar nozzle which distributes 260 gallons of water per minute in a rotating motion, hose control, a water curtain nozzle for hazardous liquids, leader line wires and two swivel "y's", a testing gauge and a hose jacket mounting peg. Present for the review were Fire Chief Jack Jennings and Fire Captain Joe Rice.

Mrs. T. B. McCarter, president of Randall City-County Library Board, reported to the commission on library matters. She explained the plan proposed in 1963 by the U. S. Library Development Committee, which would be available to libraries of various sizes throughout the nation.

Under the federal government plan, said Mrs. McCarter, a maximum of 35 per cent of all funds spent locally for services and construction would be in the form of a grant or loan to a library the size of Canyon's, but federal rules would govern all aspects, including size of buildings, number of employees, length of working hours, and such considerations.

Libraries would be placed in four categories, or levels, including a system of local libraries; district level, with a central library, as at a college; technical information and research centers, of which there would be four in the state; and the state library itself. According to Mrs. McCarter, there would be "complete control" over the library, with all plans approved by the federal Commissioner of Health, Education and Welfare.

Commissioners reviewed also the galley proofs of the proposed Canyon Code of Ordinances, discussing various sections at length. Mayor C. E. Thompson read a petition made to the city and Texas State Highway Department for installation of a traffic light at the intersection of Fourth Avenue and Twenty-Fifth Street. No action was taken, as an earlier proposal had been denied by the Highway Department.

A contract of audit for the coming year was awarded to Jess L. Rhodes. Discussion was held regarding addition to or change of the city dump system, and a decision was delayed pending investigation by the city manager.

to the cutting off of power during nearby construction, December registration was 2,868 persons.

Palo Duro Canyon State Park had a total of 263,910 visitors in 1965, as well as registering 431,066 over-night campers, according to Superintendent E. J. Boehm. Both figures were above those of 1964, when sums showed 254,440 regular visitors and 314,080 campers.

Greatest attendance for the state park was reported in August of last year, with 45,165 guests. December total was 7,575.

Students Thank Morris With New WT Office

BY LINDA LOVE

Several months ago Milton "Buff" Morris sat in his small, not-too-attractive office at West Texas State University and spoke of the thousands of dollars invested in students of the Opportunity Plan Inc.

"Does that figure scare you?" he asked. "Well, these kids pay you."

This Christmas the students, past and present, whom Morris has helped earn an education, showed once more that they do

in church work and for many years has been a deacon of the First Baptist Church.

"He has never been one to stop doing," his daughter continued. "He's almost 84 now, but I think if our family physician hadn't made him stop, he'd be at the office now attending to business."

"He loves people," she emphasized. "He has always loved people; it's a consuming thing with him, in all the different fields he's been in."

Burney Slack has been named to replace Clark as corporation court judge. Slack filled the position during Clark's recent illness.

does not make more than one-half of his annual income from the sale of art.

Registration fee is \$1 per entry. The fee will be used to make up local awards. Three paintings from the high school division will be chosen by the jury to compete on the state level for scholarship awards and purchase prizes amounting to \$500, \$300 and \$200.

An award of \$100 will be presented to the best of show in the Merit Award entries on the state level. Three will be selected in the district to compete in the state judging.

All entries must have been completed within the past year, be original, suitably and simply framed or prepared for display. Watercolors, prints, drawings and pastels should be framed under glass.

The Canyon exhibition is open to any artist in the 31st Senatorial District including the counties of Dallam, Sherman, Hansford, Ochiltree, Lipscomb, Hartley, Moore, Hutchinson, Roberts, Hemphill, Oldham, Potter, Carson, Gray, Wheeler, and Randall.

Mrs. Mary Lee Garrett, artist and owner of the Clovis Art Gallery in Clovis, New Mexico, will be a judge for the show between the hours of 7 and 10 p. m. January 13.

Mrs. Blanche Lenderson of Muleshoe, artist and teacher and a member of the Muleshoe Art Association, Carlsbad Art Association and Lubbock Art Association will serve as second judge for the show.

Mrs. Frank Kimbrough, Canyon, is general chairman for the 16 counties and notes that each county chairman has entry blanks available to the artists in their counties.

Mrs. Sherwood Blasdel of Canyon is the Randall County chairman for the exhibition.

remember, and pay. While he was attending a district meeting of Student Financial Aid in Arkansas, the young men and women completely redecorated his office, from new paneling and carpeting to a tape recorder.

"I guess we mailed out the letters the middle of the first week of November," said Mrs. Bonita Newby, who has been with Morris five years and planned the surprise, "and by that weekend we had two answers."

The plan came about when Mrs. Newby and Mrs. Eva Nell Brister, also of Morris's office, began discussing how badly the private office needed to be redone. Mrs. Newby went to Mrs. Morris, and they decided to surprise him with new drapes and carpeting.

"But after I got home I began to feel that it just wasn't fair to leave the kids out. So many people don't know all the people he's helped in the thirty-four years he's been here, and I knew his students would want to be a part of this."

"So one evening, about seven of the present students came over, and we sent out about 300 letters. We knew not all of them would be received, of course, with so many address changes and things; and then, too, I expect more to answer a little later. Especially the teachers, who get paid by the month and have all those Christmas bills."

Signed, "The Present Opportunity Plan Students," the letters described "Mr. Morris's well-deserved gift" and predicted accurately, "he will be overjoyed at your thoughtfulness more than anything."

Besides the money sent and given for the project, as many students as could squeeze into the small office helped with the actual work. Six boys painted the walls the first night, then laid the carpeting the following day. Students had planned to panel the walls themselves but had some help from maintenance men. From then on, there were a variety of jobs and purchases.

The boys and girls polished brass door knobs and provided a small window filter to allow the window to be opened for fresh air. They brought a new tape recorder, placed a handsome new lamp over his desk, and also gave an automatic letter opener and a briefcase.

Morris's sister-in-law and his wife added a wall clock and barometer set. Furniture in the office is a previous gift of Opportunity Plan donors Vernon Harmon and Mrs. Alice Short Smith.

STUDENT FOOTBALL SEATING was discussed at length by the Student Senate in its regular meeting Monday, as the body considered ways of improving seating arrangements for WT students at home football games.

Efforts are being made by the Senate to secure a student section farther from the end zone, higher in the stands or in a more uniform bloc.

SWEETHEART DANCE will be held this year on February 4, first Friday of the second semester. Candidates must sign up by 5 p. m. Wednesday, February 2, and the election will be held Friday. The dance is co-sponsored by Alpha Delta Pi and the Student Union Board.

SECOND SEMESTER CALENDARS will be distributed to students during registration for second semester. The activities calendar has been prepared by the Student Union Board and is now being printed.

STUDENT SENATE discussed and approved Article II of the proposed Students' Association constitution Monday, making several changes, additions and deletions. The article deals with the legislative department. The preamble and Article I had

ment houses which will provide 111 additional apartment units when all these facilities have been completed.

Apartment house boom in Canyon is directly attributable to the continued growth of West Texas State University.

Commercial building took a big jump from \$120,570 in 1964 to \$318,554 in 1965. Biggest commercial permit was for \$119,754 taken by Southwestern Bell Telephone Company for an addition to the company building.

Next largest permit issued was for the R. B. Allen Building at the corner of Fourth Avenue and 13th Street. The permit was for \$64,000 and the building presently is under construction.

Permit for the Vaughan Building at 1911 Fourth Avenue was for \$35,000 and permit for the building housing the Ku Ku Burger was for \$25,000. Permit for La Placita Restaurant on Highway 87 was for \$20,000 and a permit for A&W Root Beer was for \$16,500.

Church building for the year came to \$247,210. Largest permit was issued to RAR Homes for construction of Calvary Baptist Church at 800 Eighth. This permit was for \$85,000. Second was St. Paul's Lutheran Church for \$66,210. This building stands at 2602 Fourth Avenue.

The Assembly of God Church was given a permit in December for construction of a \$63,000 building at 2318 Thirteenth Avenue. Grace Baptist Church built an \$8,000 building.

Other construction in Canyon during the year was, for the most part, additions, move ins and remodeling.

City Building Inspector E. A. Collie said 125 building permits were issued during the year.

District. . .

(Continued from Page 1)

Dumas won the district last season after finishing on top in a three-way playoff against Perryton and Tulia. Muleshoe has come on strong in non-conference action the last few weeks and may be a darkhorse.

Since Canyon already owns a victory in action against Muleshoe, the Eagles apparently have a definite chance for the crown.

As of late the Eagles have been struck by illness and injuries which doesn't help the situation in a tough district such as IAAA. Starters Mark Lair and Richard Gardner have been slowed by feet ailments while substitute Dennis Haley has dropped out of school for the time being, because of illness.

Ricky Bacon is the big man if the Eagles are to stay in the district race. Bacon, the tallest man in the starting five at 6-5, has come on strong in the last few court battles and must provide the rebounding and inside shooting strength for the Eagles.

Amarillo attorneys say the land is exempt by statute.

"It's revenue bearing and should pay taxes," declared Commissioner Clarence Beckman.

"That's what we decided down here before," said Commissioner Bill Butler.

Commissioners then decided to refer the matter to Randall County Criminal District Attorney George Dowlen who is to report to them at a later date.

Commissioners tabled a request by Tax Assessor-Collector Bill Money that Anne Rayburn of Hereford be given a contract to prepare the 1965-66 delinquent tax rolls.

The proposed contract calls for a fee of 10 cents per written line and Feb. 28 completion.

Money was out of town Monday when the court met and commissioners delayed consideration of the contract until the tax assessor-collector can appear before the court.

ed and the couple is docketed to come to trail the week of Jan. 25.

Also scheduled for trail the same week is Felix Wesley Fesmire, 17 years old, who is charged in the shooting death of an Amarillo police officer.

Fesmire was indicted in October shortly after attaining the age of 17 on Oct. 1. He is charged in the shooting death of Officer William Meadows, early the morning of June 7, 1964.

Meadows gave chase to Fesmire and a companion, Jimmy May, about 16, when the policeman found the boys in a stolen pickup truck at Northeast Eighth and Apache in Amarillo.

Meadows was shot to death during the chase.

Young May was killed by a highway patrolman's bullet near Palo Duro Turkey farm on South Washington.

A Randall County grand jury this week returned indictments against two persons.

Tommy Marion McKenzie, 19, Amarillo, was indicted on a charge of robbery by assault. He was charged in connection with the alleged robbery Dec. 13 of the Twin Drive In Theater in South Amarillo.

Johnnie Randolph Black, 41, Canyon, was indicted on a charge of driving while intoxicated, second offense.

Judge Jordan revoked probation of two persons brought before him.

Cecil Johnson, 38, Amarillo, was given three years in the penitentiary after his probation was revoked.

He was placed on probation Nov. 11, 1964 as an outgrowth of a charge of driving while intoxicated.

Don Allison, 25, Amarillo, was sentenced to four years in prison after his probation was revoked.

He was placed on probation April 27, 1964 on a charge of swindling by worthless check.

County Judge Lloyd King held docket call for county court Tuesday calling 26 cases, criminal and civil, to be heard during the February term of county court.

Buffaloes Meet ENMU Here

BY ART ALBRACHT

The Buffaloes of Coach Jimmy Viramontes probably are firm believers in the old saying "there's no place like home".

West Texas State University has just returned from a road trip which spelled disaster for the Buffaloes.

Though the Buffs did drop their first three home games of the season, they fared much better on the friendly home court than they did on the road. Of course, winning is all that is important and losing is losing, regardless, of the score and so far, the Herd has yet to win a game in eight outings.

Saturday at 8 p.m., the WTSU quintet hosts New Mexico State University in the Buffalo Field House and the game might be entitled the "battle of the beatus". NMSU has fared some better than the Buffs but the Aggies have bitten the dust of defeat several more times than they have tasted victory.

Though it may be difficult for Buffalo fans to see, there is room for optimism despite the loss of eight straight games in the 1965-66 season. The only way a team can build up a name and team in college basketball is to play other teams with respected images in basketball circles and this the WTSU team did in the recent road trip. In the final game of the trip, the Herd played right with a great Detroit team before running out of steam late in the game. In falling to rugged Ohio State 78-53, the Buffs played minus number one scorer, Mickey Fitts, but still managed to come out of the game without humiliation.

Against these teams, Coach Viramontes figured the Buffs would have to shoot at a high field goal percentage to stay in the game and the Herd wasn't able to do that in the five road contests. In Coach Viramontes' first two seasons at WTSU, the Buffs ranked among the nation's top field goal shooting quintets.

A big part of the Herd's problems has been the need for the big man under the basket to hold down the opposition's big horses. The rebounding game has been weak, especially against Detroit when All-America Candidate Dorie Murray personally outrebounded the entire Buffalo team.

Vernon Furlough, a 6-8 transfer from Tulsa University, should bolster the rebounding picture and also provide a strong shooting threat under the hoop. Furlough, however, won't become eligible until the semester and the Buffs have three games before then. Tobie Hall, another transfer, should strengthen the outside shooting potential of the Buffs and give the Herd a potent substitute at a guard spot.

Probable starters for the Aggies of NMSU are 7-0 Mike Dabich, 6-5 Art Davis, 6-3 Dewayne Brewer, 6-3 John Gambill, and 6-4 Larry Mason. The Aggies are well gifted in size but lack experience. Davis, known as the greatest rebounder in NMSU history, returned to the university after dropping out of school his junior year.

Dabich provides a big rebounder for the Aggies but the seven-footer has a tendency to foul out early in the game and is an inconsistent shooter. Robert Williams, who missed last season because of an injury, lettered in the 1963-64 season. Eight newcomers battled for starting berths when the season began and all but one of the new men stand over 6-4.

Also a newcomer to the NMSU basketball scene is Coach Jim McGregor, who took over the Aggie coaching chores in 1965 on the tail of three straight losing seasons at NMSU.

McGregor tutored national basketball teams in six countries outside the United States before coming to NMSU. Coach Viramontes is still optimistic about the Herd basketball picture and upon returning Tuesday had this to say.

"I feel that the tough road trip seasoned our team quite a bit. We gained the experience we set out to get and the change should be evident when the Buffs play this Saturday", said the coach. Coach Viramontes added that the Buffs stayed on the court against both Ohio State and Detroit, and that sickness to Mickey Fitts and Bill Reeves also hurt the Herd attack.

Probable starters for the Buffaloes in the Saturday game are 6-7 Calvin Taylor, 6-5 Mickey Fitts, 6-7 Jack Johnson, 6-0 Gail Simpson and 6-2 Rodney Teague. Also seeing plenty of action will be 6-5 Ron Gardner, 6-4 Bill Reeves, and 5-9 Joe McWilliams.

Fitts tops the Buffs with an average of about 15 points a game followed closely by Taylor and Teague, who have averaged around nine points a battle.

In a prelude match to the varsity - NMSU clash, the Freshmen Stompers take on South Plains Junior College at 6 p.m.

BIT Will Present "Medea" Saturday

A classic story of revenge will be presented Friday and Saturday by Branding Iron Theatre in its latest production at West Texas State University.

Canyon freshman Lillian Cowart portrays the title character of "Medea," a woman seeking vengeance on her unfaithful husband, in this original Euripides play.

"Black outs" in lighting of specific stage areas will effect the change of scenes, in an unusual absence of marked entrances or exits by actors. Sets, lighting and costumes for the drama are expressionistic in style, according to student director Bob King.

The Samnorwood senior, who is completing a major in speech, has freely adapted the Greek classic, which is scheduled for 8:15 p.m. Friday and Saturday. Proceeds of the two evenings' entertainment will go to Buffalo Masquers Annual Dramatic Awards Night, which is held in the spring. Admission is \$1 for adults and 50 cents for students and children, and the production is sponsored by the speech department and Buffalo Masquers, campus dramatic organization.

Opposite Medea, in the role of Jason, is Martin McDonald, Brownfield senior. McDonald has played many major roles in the BIT during the past four years.

Miss Cowart is already experienced in classic theatre, having played major roles in both Shakespearean dramas "Hamlet" and "Othello" while at Canyon High School. She was most recently seen at WTSU in Alpha Psi Omega's annual Christmas musical.

Additional cast members of "Medea" are Gary Tydings, Hobbs, New Mexico, senior; Wes Schultz, White Deer sophomore; Neva Chowning, Amarillo sophomore; Lindsey Dowell, Amarillo sophomore; Max Nelson, Hale Center sophomore; and John Claypool, Denver City senior.

Reservations may be made with the BIT box office in the Fine Arts Building at WTSU.

Dead Week To Suspend Social Life

All official college social functions for West Texas State University will be suspended next Monday in preparation for final examinations, according to the office of the Dean of Women.

Dead Week will extend from Monday through Saturday, and final examinations are scheduled to begin Monday, January 17, and end Thursday, January 20. During this time no special permission will be given to girls living in dormitories.

Freshman orientation will be held Monday, January 24, from 8 a.m. until 2 p.m. in the Administration Building, and evening only students will register at 7 p.m. the following day in the Student Union Building.

Rath Recital Will Feature 5 Instruments

Performances on five different woodwind instruments will be featured in the senior recital of Richard Rath at 4 p.m. Monday in the Fine Arts auditorium of West Texas State University.

The Pampa student will present selections on clarinet, saxophone, flute, oboe and bassoon in the concert. Music will include works by such composers as Brahms, Ibert and Arrieu.

The recital is in partial fulfillment of requirements for the Bachelor of Music Education degree.

Faculty recital by Stanley Potter, instructor of piano at WTSU, has been postponed until February 24. Potter's recital was to be held at 8:15 p.m. Monday, originally.

Mrs. Gamble Takes Reins As New County HD Agent

BY LORENA MILLER

Mrs. D. C. Gamble began official duties as the new home demonstration agent for Randall County Monday morning of this week.

Mrs. Gamble, the former Kate Donnell of Canyon, smiled as she said, "I'm looking forward to meeting all of the home demonstration women and the 4-H boys and girls and their leaders."

"Work as a home demonstration agent has changed quite a bit since I worked before," said Mrs. Gamble. "We used to meet with every club every meeting and I can just see myself trying to present sixteen or more programs per month."

Among her duties as home demonstration agent, Mrs. Gamble will meet with each home demonstration club at least five times per year and present a program. During the last two months, Mrs. Gamble has been working with Mona Hildreth, home demonstration agent in Potter County, and "brushing up".

Mrs. Gamble attended a tailoring workshop led by a former home demonstration agent in Randall County. The workshop was at Pampa with Lou Ella Patterson in charge. "She taught like an expert," Mrs. Gamble said.

Other special programs attended by Mrs. Gamble included a "Sugar Cookery" in Deaf Smith County as Argen Draper led the clubs in the making of Christmas candies.

A graduate of Canyon High School, Mrs. Gamble was interested in home economics and was a member of the Future Homemakers of America.

"But I never dreamed that my college major would be home economics while I was in high school," laughed Mrs. Gamble. Mrs. Gamble received her bachelors degree in home economics from West Texas

State and later attained some 20 hours credit toward a masters degree at Texas Technological College in Lubbock.

"I have lost all credit toward the masters degree during the years though," said Mrs. Gamble relating that she plans to continue studying toward a masters degree at West Texas State University in the near future.

Mrs. Gamble has taught home economics at Dalhart High School and also taught English at Canyon High School during World War II. She served three years as a home demonstration agent for Hutchinson County before retiring to raise her daughter, Karen, who recently married Mike Warner.

Among her spare time hobbies, Mrs. Gamble enjoys knitting and crochet work. She also likes to work with flowers in her yard at 911 Twenty-Fifth Street in Canyon.

"I would like to have more time to work at refinishing furniture too," said Mrs. Gamble who has collected a few family heirlooms and other antiques.

"Sewing has always been a hobby and I make the majority of my own clothes and used to make a lot of my daughter's clothing too," related Mrs. Gamble.

Mrs. Gamble is the daughter of L. A. Donnell and the late Mrs. Donnell. She has a sister, Mrs. Clarence Bauer, of Bentonville, Arkansas and two brothers, Alton Donnell of Grosse Point, Michigan and L. O. Donnell of Dumas.

The Gambles are members of the First Presbyterian Church of Canyon where she is a former deaconess.

Mrs. Gamble was a charter member of the University Study Club of Canyon and served as the club's first president.

"Bulletins printed by the Extension Service are available to all residents who are interested at no charge," said Mrs. Gamble.

"Many are designed on the youth level especially for 4-H work," related Mrs. Gamble who will work with John Brazzil, county agent, as a 4-H counsellor for all clubs in Randall County.

"I hope to have a group of Leader Training meetings for prospective 4-H leaders soon," commented Mrs. Gamble. "I think that our main problem with getting good adult leaders is giving them the proper training to make the work interesting to our boys and girls."

"My first sessions with the home demonstration clubs will be at their February meetings," said Mrs. Gamble. "I am already working on a program entitled 'Consumer Education and Food Buying' for those meetings."

"We will have a tailoring workshop here in early March and are planning a beginners clothing workshop for September," Mrs. Gamble stated.

"All women of the county who are interested in these programs may participate at no charge. The workshops and other special programs are not designed for home demonstration clubwomen only and we invite all women to attend."

As the new home demonstration agent for Randall County, Mrs. Gamble will work with the Randall County Home Demonstration Council members. Mrs. O. O. Henry is current council president.

"Canyon is home to me and I'm no newcomer to many of the home demonstration women but there are many I have yet to meet, and I'm looking forward to it all," smiled Mrs. Gamble in conclusion.

Anniversary Reception For Amasons

Mr. and Mrs. Noah Amason were honored Sunday with a golden wedding anniversary reception at their home between the hours of 3:30 and 5 p. m.

Approximately 30 friends and relatives attended the occasion which was hosted by their daughter, Mrs. Carl E. Hair.

Cake squares, nuts, coffee and punch were served to those present including friends from Silverton who were Mrs. Tom Bomar, Mrs. Lee D. Bomar, and Mrs. Julia Bomar.

Mrs. Worth Jennings was the only anniversary guest who was present at the Amason's wedding. She was three years old at the time of the marriage.

BSP Sorority Meeting Set

Xi Kappa Zeta exemplar degree chapter of Beta Sigma Phi social sorority will meet Tuesday evening, January 11, at the home of Mrs. Bob Daniel, 1600 Second Avenue.

Co-hostesses for the 8 p. m. meeting will be Mrs. Ogden Stroud and Mrs. Jack DeSpain.

Homemaker Gives Recipes For Five Cup Salad, Pie, Cake

BY LORENA MILLER

Mrs. Carrol Duncan of 2509 Eighth Avenue shares a trio of recipes with our readers this week, including a Five Cup Salad, Milky Way Cake and Frosting, and a Strawberry Pie.

The former Miss Renee Thomason was reared in Wellington, where she received her high school diploma from Wellington High School. She then completed one year of college at Abilene Christian College and is presently working on a degree in elementary education at West Texas State University. Mrs. Duncan expects to receive her degree at WTSU in May, 1966.

Mrs. Duncan has a sister, Vivian Phelps, who lives in Amarillo, and her parents, Mr. and Mrs. Frank Thomason, reside in Clarendon.

On June 3, 1955, Mrs. Duncan and her husband were married in Wellington. He was also reared there and is the son of Mr. and Mrs. A. L. Duncan. Duncan has two brothers, Jerry of Amarillo and Jackie of Clarendon Junior College.

A vocational agriculture teacher at Canyon High School, Duncan received his bachelors degree at Abilene Christian College and the master's degree at Sam Houston State. Prior to coming to Canyon, Duncan taught at Highland High School in Roscoe.

Along with his teaching duties, Duncan serves as an ad-

visor for the Young Farmers Organization and is a sponsor for the Future Farmers of America.

Members of the Church of Christ in Canyon, both Mr. and Mrs. Duncan serve as Sunday School teachers at the church. The couple has two children, Gary, 8, who is a third grade student at Rex Reeves Elementary School, and Tanya, 5.

"Sewing and cooking used to be full time hobbies, but I haven't had much time since going to college with at least 15 hours per semester," smiled Mrs. Duncan. "I still enjoy reading as a pastime, however."

"After graduating in May, I'll probably start teaching when I get the children all in school," said Mrs. Duncan.

Along with other homemaking duties and studies, Mrs. Duncan is a member of Alpha Chi Honor Society at WTSU.

The family's favorite recipes include:

FIVE CUP SALAD

1 cup pineapple tidbits, drained
1 cup flaked coconut
1 cup mandarin orange slices, drained
1 cup miniature marshmallows
1 cup commercial sour cream (peaches and maraschino cherries, optional)
Mix all ingredients. Chill for several hours or overnight. Garnish with cherries and serve chilled.

"Have Your Say" For Jaycee-Ettes

"Are We Thankful?" was presented as a Have Your Say topic by Mrs. Gerry King at Monday's meeting of the Canyon Jaycee-Ettes.

The short speech was given in conjunction with the recently adopted statewide program of the Texas Jaycee-Ettes. Mrs. Charles Marshall is chairman of the trial project in the local women's civic club.

The meeting was held in the home of Mrs. Robert West with Mrs. Meade Michael, president, officiating during a short business session. Members recited the Jaycee-Ette pledge, heard a reading of the minutes by Mrs. Allen Parson, and a treasurer's report by Mrs. Guy Hamblen.

Mrs. Wayne Edmondson was appointed to serve as supply chairman. Reports included the nativity scene by chairman, Mrs. Allen Parson, and hospital favors reports by Mrs. Gerry King and Mrs. Robert West.

Three members reported on attending the charter banquet for Claude during December. Those attending were Mrs. Charles Marshall, Mrs. Meade Michael, and Mrs. Gerry King. A scrapbook work meeting was set for January 13 at the home of Mrs. Charles Marshall, chairman. Plans were also discussed for the upcoming area

Three Attend Sorority Tea

Three Canyon women were in attendance at a Kappa Kappa Gamma sorority tea in Amarillo last Tuesday afternoon.

Attending were Mrs. Lois Hull, Mrs. Orville Hicks and Miss Nancy Hicks.

MR. AND MRS. NOAH AMASON

Engagement Announced

Mr. and Mrs. I. C. Giles of Bowie announce the engagement and approaching marriage of their daughter, Miss Margaret Ellen Giles, to James William Galloway, son of the late Mr. and Mrs. James Galloway of Philadelphia, Pennsylvania.

A graduate of Bowie High School in 1960, Miss Giles was a National Honor Society student and active participant in the Future Homemakers of America.

From 1960 to 1963, she attended West Texas State University at Canyon where she received the Bachelor of Arts degree. At West Texas State, Miss Giles was a member of Sigma Tau Delta, Phi Alpha Theta, the History Club, and the Panhandle Plains Historical Society.

Following her degree at WTSU, Miss Giles received an H. W. Wilson scholarship to attend graduate library science school at Texas Woman's University at Denton. She received her master of library science degree from TWU in 1964 and has been serving as a professional librarian at WTSU since her graduation.

Galloway graduated from Abraham Lincoln High School in Philadelphia in 1959 and attended Drexel Institute of Technology and the Philadelphia Museum College of Art. He served four years as an illustrator in the Strategic Air Command of the United States Air Force and is currently a student at WTSU.

Jaycee Couples Attend Party

Several Canyon couples attended a New Year's Eve party in Amarillo sponsored by the Amarillo Jaycees.

Representing the Canyon Jaycees and Jaycee-Ettes at the event were Mr. and Mrs. Gerry King, Mr. and Mrs. Weyman Brown, Mr. and Mrs. Charles Marshall, Mr. and Mrs. Jerry Swearingen, and guests, Mr. and Mrs. Sam Humphrey of Sunray.

Halls Host Yule Tea

Approximately 50 teachers from the school of business at West Texas State University and from the elementary school were present for a pre-Christmas tea in the Dale R. Hall home.

The Halls were hosts for the affair held Tuesday, December 22, between the hours of 7-9 p. m.

Mrs. Lois Wade presided at the refreshment table as guests were served punch and assorted Christmas cookies.

The refreshment table was laid with a white net cloth banded in gold braid over red taffeta. A Christmas floral arrangement of red poinsettias and greenery centered the table. Flanking the arrangement were gold candle holders bearing red tapers.

Waugh Goes To Council

Dr. Kenneth Waugh, director of student personnel services at West Texas State University, served as delegate to the Thirtieth Biennial Council of Phi Delta Kappa, international professional fraternity in education, held in Norman, Oklahoma, December 28-30.

Phi Delta Kappa, a 65,000-member organization, enrolls most of the top school leaders of the United States and Canada. Dr. Waugh was among some 400 delegates and officers who attended the Council on the University of Oklahoma campus.

A significant addition to the fraternity program was authorization for a Director of Research Services, who will develop an international research dissemination program. It is expected that this new division of the International Headquarters Office will store and retrieve research data obtained from city research offices and

school research councils. Recommendations offered by a study committee chaired by Dr. Edgar Morphet of the University of California, Berkeley, placed emphasis as well on strengthening of the teaching profession, and a new commission was authorized in this area. Particular emphasis will be given to reconciliation of differences between academicians and professional educators.

WTSU is among 256 campus and field chapters of Phi Delta Kappa in graduate schools and in urban areas of the United States. The fraternity has three chapters in Canada, also, and one in Germany.

Visiting with Mr. and Mrs. W. K. Heathington during the holidays was their daughter, Mrs. Johnnie Fichtler, and family and his mother, Lucy Heathington, all of Amarillo.

Bravo Head Addresses Kiwanian Ladies' Day

Featured speaker last Friday at Kiwanis Club Ladies' Day was Puzant Torigian of Hereford, inventor and president of Bravo Smokes.

The president of the industry, which produces smokes made of dried lettuce leaves, was introduced to the service club members and their wives by Mrs. Mary Kay Everett, of Deaf Smith County Rural Electric Corporation. Mrs. Everett noted that Mrs. Torigian is a teacher in the modern languages department at West Texas State University.

Torigian quoted figures setting the amount of smokes consumed every year at more than 400,000,000 per person, including non-smokers as well as the 70 million smokers in the nation.

He commented on an estimate

Davises Have Holiday Guests

Visiting in the Ervin Davis home during the Christmas holidays were a number of relatives and friends, including Mr. and Mrs. Sam Gossett of Sayre, Oklahoma.

Also visiting were Mrs. Opal Tatum, Mr. and Mrs. J. D. Harvey and family, Mr. and Mrs. Bill Feisler and Tammie, all of Dumas; Mr. and Mrs. E. F. Emmons and daughters of San Saba; Mr. and Mrs. Buddy Benton and family of Spearman; Mr. and Mrs. Gib Roy Lawler and Scott and the Bob Tow family, all of Amarillo.

given by the Surgeon-General of the United States, who indicated that 125,000-300,000 persons in this country would die needlessly in the coming year, due to smoking. This figure, said Torigian, is far above the death toll of lung cancer, and the majority of deaths referred to by the government official would be due to heart disease and circulatory diseases.

The Bravo inventor continued that cigarette smoking is not an addiction, but rather is a result of conditioning.

In an informative and humorous program, Torigian presented a brief talk and then conducted a question and answer session with the Kiwanians. He noted that six cigars per day, not inhaled, are equal to thirty cigarettes, inhaled.

In discussing this point he explained that the irritants present in tobacco are phenol and ammonia, and the greater alkalinity of cigar tobacco makes it more difficult to inhale.

Torigian said that Bravo is the only smoke which is clinically tested. He described the

Young Teachers Sponsors For Six Korean Orphans

BY LORENA MILLER

"Korean Orphanages" will be discussed by Miss Shirley Bourquin in a pictorial program Sunday evening, January 9, at the First Methodist Church of Canyon.

Miss Bourquin will present the program at 7 p. m. It will include a talk and about 70 colored slides which she took during a recent 24-day tour of Korea.

The November tour was made with some 112 sponsors of orphans in Korea through the Compassion program. Miss Bourquin, a teacher, is the "big sister" co-sponsor of six Korean children, along with her roommate, Miss Paula Green.

The two teachers first became acquainted with the orphan program while teaching at Walcott, northwest of Hereford. Misses Green and Bourquin taught at the school for some 5 years.

They were introduced to the orphans' program by Mr. and Mrs. Tom Collins, who also taught at Walcott and participated in the Win One Sunday School Class. The class was sponsoring several Korean orphans through the Compassion program.

Miss Green is presently working on her master's degree at West Texas State University

in Canyon, and Miss Bourquin is studying toward a bachelor's degree at Southwestern State College in Weatherford, Oklahoma. The two are residing in the Tom Collins home in Canyon.

"When we first decided to co-sponsor an orphan we took two and have gradually added, until we now sponsor six orphans and one student in seminary school," commented Miss Bourquin.

Lee Kun Kyun and Kim Jung Ja were the first two orphans taken by the teachers. Later they began support of three boys, Jung Yong Nam, 16, Lee Jung Hyuk, 9, and Lee Sung Koo, 8, along with a girl, Lee Sung Soon, 5.

Lee Sung Koo and Lee Sung Soon are brother and sister, although they live in different orphanages. The six orphans co-sponsored by the teachers live in orphanages throughout South Korea.

Lee Young Chai is the student in seminary school sponsored by the two teachers.

During her recent visit to Korea, Miss Bourquin visited with each of the orphans as she flew from Seoul to Taegu and later to Pusan on the southeastern coast. She also visited in Chinhae, the home of the seminary student, later in Kwang-ju and then back to Seoul.

"I took our boys and girls Christmas gifts from the States and also left money with them," commented Miss Bourquin. "We send money to the orphans each month during the year

through the Compassion program.

"We write them letters about every two months and hear from them in turn," smiled Miss Bourquin. "During my visit, I was able to meet the interpreter in Seoul who translates my letters to the orphans and theirs to me."

"The Compassion program takes care of 170 orphanages in Korea, with over 23,000 children to take care of," said Miss Bourquin. "Some 8,000 orphans have no sponsor."

"A lot of the orphans' parents were killed during the war, and some have died as a result of the war poverty," commented Miss Bourquin.

"The founder of the Compassion program died while I was in Korea," said Miss Bourquin. Founder was Rev. Everett F. Swanson.

"I found a lot of things different in Korea," commented Miss Bourquin. "Chopsticks are used quite frequently, but they use spoons like our table-spoons for soups and also use little spoons (similar to demitasse spoons) for their tea and coffee."

"Dry cooked rice is used instead of breads, and there was no hot water except in hotels and a few places which can afford the fuel for heat," she said.

"The schools and other public buildings are unheated. That is why they dismiss studies during January and February. They send the girls to trade schools to learn sewing and other arts to make them useful to society. Girls seldom get a higher education in Korea."

The program Sunday evening at the First Methodist Church will feature a talk by Miss Bourquin and Miss Green and the showing of the Korean slides. Also on the program will be the Junior High Choir with a special musical program.

Son Returns From Duty In Viet Nam

James Pruett O'Donald, lance corporal in the U. S. Marine Corps, visited his parents, Mr. and Mrs. Cecil O'Donald, here recently on his return from Viet Nam.

Cpl. O'Donald was in Canyon from December 19 until December 27, when he left for Yuma, Arizona, where he will be stationed.

He had been stationed in Japan, with occasional assignments in such countries as Thailand. It was from Japan that he was transferred to Viet Nam approximately three months before his return to the United States. O'Donald's duties include maintenance of electrical systems of jet aircraft.

Selton Thompson of Houston visited several days last week with his daughter, Mrs. Alan Hawkins, and family.

MISS SHIRLEY BOURQUIN is shown with three orphans she visited while on a recent tour of Korea. The orphan trio include, left to right, Jung Yong Nam, 16, Lee Sung Soon, 5, and Lee Jung Hyuk, 9. The trio are co-sponsored by Miss Bourquin and Miss Paula Green.

Dinner Held By Franklins

Mr. and Mrs. W. R. Franklin gave a turkey dinner Sunday in their home for members of the family and guests.

Present at the dinner were Mr. and Mrs. Kerry Franklin and children Rene and Skipper of Kermit, and Mr. and Mrs. Joe Britt and children Kim, Mike and Karen of Amarillo.

Mr. and Mrs. Roy Franklin of Canyon attended also. Other guests included Karen Franklin and Phil Dittburner, a White Deer student at West Texas State University.

Lynn Pletcher of Battle Mountain, Nev. visited in the Ralph Huntington home during the holidays.

Mr. and Mrs. Ralph Huntington entertained her brother, Mike Tzouanakis, and family during the holidays. The Tzouanakis family includes children, Mike Jr., Stephanie, and Johnnie, all of Green Castle, Indiana.

Card Fund Totals \$368

A total of \$368 was collected for the 1965 Christmas Card Fund of the Happy Parent-Teachers Association by late December.

Contributions will be placed in a special project fund, with the fund to be decided later during the PTA year. Under consideration are completion of the air-conditioning units in the grade school auditorium and providing of a public address system for the auditorium.

John Butler, chairman, reported the success of the card fund drive and expressed appreciation to community members and others who made donations to the project.

4-H Club Has Meet

Thundering Buffalo 4-H Club held a meeting last Thursday in the home of Mike Cook.

The girls named their subject matter group the Buffaloes at the meeting, and Mrs. Ted Allen gave a talk on the upcoming Junior Livestock Show.

Club voted to buy 4-H pins and emblems for 4-H events, and Mrs. Allen gave the dates for several upcoming projects. Following the program the constitution was read and discussed.

Next meeting will be January 28 at the home of Charlotte Dietz.

Refreshments were served to those present, including Becky Carroll, Pricilla Carroll, Tommy Allen, Jerry Allen, Sharon Allen, Kevin Allen, Ronnie Williams, Cindy Williams and Charlotte Dietz.

Visiting in the Lloyd McAtee home during the holidays were Mr. and Mrs. James Brock of Edmondson, Oklahoma and Mrs. McAtee's mother, Mrs. E. M. Brock, of Hale Center.

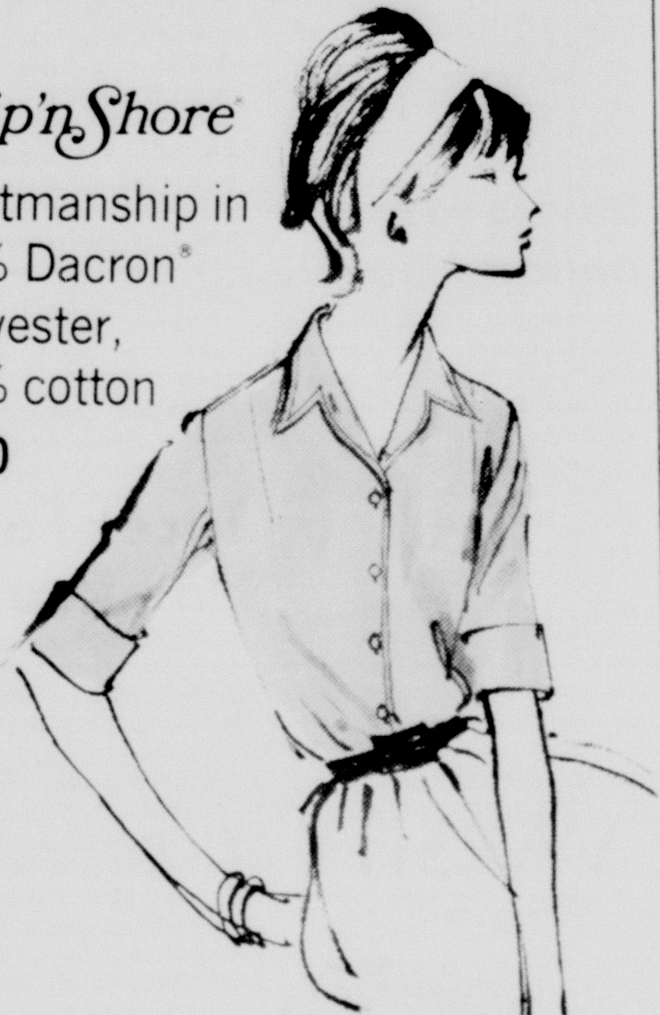

Also visiting were the McAtee's children, Mr. and Mrs. Dan Gaylor of Amarillo and the Mike McAtees of Canyon.

Forty-Year Job Ended For "Windy" Miller

BY LINDA LOVE
Last Thursday W. E. "Windy" Miller delivered his final round of mail on Route #1, Canyon. After his fortieth Christmas with the Canyon postal department, he was retiring.

"I can't claim that I was born in a post office," he laughed, "but my father was."

Miller's grandmother had become the first postmistress of Lawn Ridge, Nebraska, and the post office was set up in the front room of their home, where Miller's father was born. Miller himself was born in Nebraska, also, but when he was three years old, his father, William F. Miller, moved to Happy, where he was postmaster from 1912-1924.

This is where the youth had his first experience with postal work, as he worked for his father in 1922 and 1923.

His forty years of service were to begin later, however, when he went to work in the post office in Amarillo. Three months later, in October of 1926, he moved to Canyon, working for fifteen years as a clerk in this office, and finally serving for 25 years as rural mail carrier.

During the past 25 years, Miller has seen his route grow from 31 miles with 85 boxes to 67 miles of 220 boxes. He estimated that he has traveled 381,250 miles on duty in that quarter-century.

His career has included only one dog bite, he mentioned -- a record any carrier may well envy. Miller, whose route is presently being served by Billy Dugan, ended his forty-year term with a bang Thursday; it happened to be the day to distribute the 1966 Montgomery Ward catalogs, 1966 calendars and box holder set. Delivering box holder mail is his pet peeve, he added.

Things have been much worse before, however. Miller recalled one year when a blizzard whipped drifts 15-20 feet high in front of houses, and snow came so fast and was so thick he had to drive with his head out of the window. Finally he was forced to leave his Model A and to take the train from Umbarger to Canyon.

Miller leaned back, counting up years. "It must be 25 or 30 years that I played Santa Claus," he commented. "Now I play Santa for kids of the kids that used to come watch me."

Many people remember. "One girl moved away from here to work in a defense plant one time," he remembered, "and when she sent her mother a postcard, down in the middle of it she wrote 'how's your family getting along, Mr. Miller?' I really did get a kick out of that."

Now one of the greatest pleasures he is looking forward to is seeing his grandson grow up.

Conats Move To Hawaii

Mr. and Mrs. Kenneth Conat have recently moved to Hawaii, where they will reside for approximately three years.

Mrs. Conat is the daughter of Mr. and Mrs. Fred Irlbeck of Canyon. Conat is stationed with the Air Force in Hawaii.

Mr. and Mrs. A. L. Bacon and son Kenny were in Lubbock last week to visit with friends, Mr. and Mrs. S. M. Key.

Holiday guests of the Leland Graves were Mr. and Mrs. Raymond Graves and family, Mr. and Mrs. Lindell White, Mr. and Mrs. Roy Cook, Mr. and Mrs. Jimmy Price, and Mr. and Mrs. Charlie Westcoat, all of Amarillo, and Larry and Lawana Graves of Borger.

David Edward, six months old, is the son of Dr. and Mrs. David Miller of Albuquerque.

Both Miller's sons, David and John, a chemist, are graduates of West Texas State University, and a daughter, Janis, is a sophomore elementary education major at WTSU. Mrs. Miller graduated from the college, also.

Cuban Major To Address HS Assembly

Major Pedro Diaz Lanz, former commander-in-chief of the Cuban Air Force under Fidel Castro, will present an assembly program at 9:35 a. m. Friday in the Canyon High School auditorium.

Lanz was head of the rebel air force when Castro was fighting in the hills, and was named to the national position when Castro took power. According to the major, he was the first high-ranking officer to denounce publicly Cuban communism and communists, and to denounce Castro as a communist.

Lanz and his wife fled Cuba six and a half years ago, arriving by sail boat in Miami on Independence Day. Now a resident of Tulsa, Oklahoma, Lanz speaks before various organizations and civic groups, telling of his experiences with communist infiltration and life in communist Cuba.

The appearance of Lanz at Canyon High School is one of several speaking engagements by the Major in Canyon.

Cowboys In HCTourney

Happy High School opens play in the Hale Center tournament today in Hale Center with both the boys and girls teams competing.

The Cowboys tangle with Silverton at 4 p. m. today (Thursday) while the girls also meet Silverton at 5:30. Happy placed second in the Vega tourney in the boys competition, as the Cowboys moved to the finals before falling to Vega 61-53.

Last week, the Cowboys dropped a pair of decisions to higher class teams. Thursday, Hale Center slipped passed the Cowboys 54-50, while Canyon beat Happy 57-51 on Friday. The boys enter the Hale Center Tourney with a 7-5 record while the girls stand 2-13.

Gary Culp fired in 24 points against Canyon, to lead the scoring for the Cowboys in that battle. Randy Johnson, with 18 markers, led the Hyscoring against Hale Center. The Cowboys have fine team balance and scoring leadership changes from game to game. Potentially, Happy appears to have five players who can score in double figures. Outside shooting strength is the strong point of the Happy offense.

The Cowboys own victories over Silverton, twice, Friendship, Boys Ranch, Texline, Sunray and Kress. Losses have come at the hands of Muleshoe, Canyon, Vega and Hale Center, twice.

Happy hosted Boys Ranch in boys games Tuesday night. The ninth grade, B-team and A-team hit the court against Boys Ranch.

Dixie McGehee tops the girls team in scoring with a 25 point average in 15 games. The Cowgirls are strong at the forward spots but weak at the defensive guard positions.

Happy opens district play against Hart in Happy next Tuesday. District play looks to be a tight race between Happy and Nazareth in district 1B, boys competition.

Miller plans to take it easy for awhile, following his retirement, and then to spend time with his gardening, especially the raising of dahlias and iris. He has been working with dahlias for approximately 25 years.

A formal celebration of his retirement is yet to come, however. He will observe his sixtieth birthday January 15, and is planning to make this occasion into a dual celebration.

Relative's Rites Held

Marsh Watson died Tuesday, December 28, in a Plainview hospital. He was a brother-in-law of Uil Gunter of Canyon. Watson was buried in Plainview Thursday evening.

Attending the funeral from Canyon were Mr. and Mrs. Uil Gunter and a nephew, Jeff Gunter, and his wife. A niece, Mrs. Merle Pitt, also resides in Canyon.

LAST LOAD of mail is prepared for delivery last Thursday morning by rural mail carrier W. E. "Windy" Miller. It was the final day of

work for Miller before his retirement. He had begun his fortieth year with the U.S. Post Office July 1.

Barbara Graham flew to Okinawa during the holidays to visit with her husband, Thomas Graham, Jr.

The B. A. Leonard family visited in Quanah during the holidays with his parents, Mr. and Mrs. M. F. Leonard.

Mr. and Mrs. David Levens visited in Lubbock with her parents, Mr. and Mrs. Orville Nichols, during the holidays.

All-State Auditions Saturday

Auditions for All-State Choir and Band will be held for this region Saturday at West Texas State University.

Some 50-60 high schools of the Panhandle area are expected to attend the vocal and instrumental auditions. Sixty-four vocalists and approximately 250 instrumentalists will be included, with results to be announced throughout the day.

Three Canyon band members will try out. They are Nancy Green, flute; Dana Reynard, trombone; and Eddie Kiser, snare drum. Except for two clarinetists and one cornetist, all winning band members will participate in the area auditions in Lubbock January 22. This contest will precede the All-State Band meet, which will be held in Dallas February 10-12.

Lou Ann Cowart, first soprano from Canyon, will be entered in vocal tryouts. She will compete among four soloists from this region and four from the Lubbock region for two places in the choir.

Myers Accepts Sales Position

E. M. "Mutt" Myers, longtime resident of Canyon has accepted a sales position with Hayes Implement Company in Hereford.

Myers will serve as International Harvester salesman for the Canyon and Umbarger areas and will continue to make his home here.

Myers formerly operated the International Harvester dealership in Canyon for a period of some 19 years.

Pastor Teaches Church Class

"Doctrine and Thought of the Disciples of Christ" will be taught by Rev. Charles Meredith of the First Christian Church, beginning with lessons on Sunday, January 9.

The special class will be held during regular Sunday School hours and is designed for college age youth and adults. Instruction will include the doctrines and beliefs of the church, according to Rev. Meredith.
